Subject: Request for Notice re: GBUAPCD Network Monitoring Plan and Actions Relating to Owens Lake and Coso Junction

Michael:

It was a pleasure speaking with you earlier. As we discussed, we are requesting that you provide us with a copy of the EPA's formal written approval of the Great Basin Unified Air Pollution Control District's (GBUAPCD) Draft 2011 Ambient Air Monitoring Network Plan, submitted to the EPA by GBUAPCD earlier this past summer. As the EPA has 120 days from the date of submittal to formally approve the Plan and/or add comments, the Network Plan approval should be forthcoming sometime in October.

In addition, we also discussed our request to receive notice of all EPA actions concerning: (1) Coso Junction; and (2) Owens Lake. You told me that you would forward this email on to the appropriate persons at EPA District 9 to make sure that we receive notice of any such actions.

Please forward the Network Plan approval document and any notices related to Coso Junction and Owens Lake to me at this email address, pgosney@jdtplaw.com and to my colleague Kathryn Casey at kcasey@jdtplaw.com.

Thank you for your help and please let me know if you have any questions or need any additional information.
